To move—That the Senate—

(a) welcomes the reported decision of the Minister for Climate Change and the Environment (Ms Tebbutt) to spend \$1.23 million on a recovery plan for koalas, including revegetating koala habitat; and

(b) calls on the New South Wales Government to halt logging of any koala habitat forest including that in the Bermagui region on the state's south coast.

Only the Greens and Senator Xenophon voted for it. Labor and Liberal senators voted against it.
